

Temple Emanu-El of Greater Miami  
The South Beach Synagogue

March 3, 2010

Dear Friends,

Biblical and rabbinic tradition require us to forego the consumption and even the ownership of leavened products during Passover. Foodstuffs not especially prepared kosher for Pesah made with wheat, barley, oats, spelt or rye and utensils used in their preparation are included in the ban and may not be in our possession. We may physically dispose of all hametz by the morning of Pesah eve or sell banned foods and utensils for the period of the holiday and lease the places where they are stored.

If you would like to authorize me to act on your behalf to sell hametz and lease spaces where it will remain stored during Passover to someone not Jewish and not limited by our traditions, please sign the form below and deliver it electronically or otherwise to the Temple office by 9AM, Sunday, March 28, 2010.

With best wishes for a sweet Passover,

Cantor George Mordecai

APPOINTMENT OF AGENT FOR THE SALE OF HAMETZ

These transactions will be in effect beginning at 10:00 AM on the eve of Passover 5770, Monday, March 29, 2010 and continue for the duration of Passover, until 9:00 PM on Tuesday, April 6, 2010.
